Visit our Winter Wonderland

As Victoria's premier snow play destination, there is plenty to fill your day with at Lake Mountain!

We're Melbourne's closest alpine resort, located just two hours from the CBD so getting here is just a bus trip away.

With over 25km of marked cross country ski trails, our mountain has all bases covered from short, beginner loops for newbies, to more challenging terrain for those with more snow experience. Be sure to hire your cross-country ski equipment off-mountain prior to arriving!

Or if you are first timers and are just wanting to experience the snow, you are also welcome to simply spend your day sliding down the toboggan runs and mastering the craft of snowman building.

Plan your trip to Lake Mountain for the
2026 snow season now!
